| 6 | Did you use any AJAX function?<br>If yes, specify the purpose and the filenames.   | Yes<br>Check if Email Exists when Registering:<br>register.html -> validate.js -> exists.php   |

### Part 3: Sample USERS for Testing

| # | Email            | Password    | User Role |
|---|------------------|-------------|-----------|
| 1 | Admin@Poll.com   | Admin@123   | Admin     |
| 2 | Ayoub@Poll.com   | Ayoub@123   | User      |
| 3 | Hussain@poll.com | Hussain@123 | User      |

### Part 4: Comments

If you have any comment or would like to give addition instructions, please write here

- In Admin Page, Polls/Users Tables have scroll enabled so if they seem clipped scroll right/left up/down
  - Users can only delete theyre own poll if it expired
  - Users should leave end date empty to manually end
